

SAFETY FEST 2008

THIS HIGHLY SUCCESSFUL AND WELL-OFFERED EVENT IS SCHEDULED FOR: MARCH 25, 26, 27, 2008

LOCATION: WESTERN ENERGY TRAINING CENTER
 847 NORTH HIGHWAY 191
 HELPER, UTAH 84526

FUNDING FOR SAFETY FEST 2008 IS BEING PROVIDED BY A WORKFORCE GRANT AND GENEROUS DONATIONS FROM OUR SPONSORS
Food services, dinner and entertainment included.

WETC's Safety Fest is an excellent way of training your workforce in safe practices that are relevant to our regional industry. The focus of training will provide the tools necessary to reduce injuries, illnesses, and fatalities at your work site.

WHO SHOULD ATTEND?

Small and large operators, contractors, or businesses that are required to meet OSHA/MSHA standards. In addition, courses will be offered to improve the safety and performance of your business. Safety Fest is also open to the public this year.
